

Thinkertec End User License Agreement

DISCLAIMER

All our products are distributed and licensed on an as is basis and no warranties or guarantees of any kind are promised by Thinkertec (the Company) and SpyPal Keylogger (the Software) as to their performance, reliability or suitability to any given task. In no event shall the Software be liable for any loss of data or ANY DAMAGES OF ANY KIND, financial, physical, emotional or other, which might arise from its use.

DISTRIBUTION

Our products may NOT be sold or distributed in any way without prior written consent from the Company.

SUPPORT

It is the policy of the Company to offer free e-mail based 24X7 priority technical support to all of our registered customers.

LICENSE & SERVICE

The license of the Software is based on computer. The license is permanent. Each license allows you to unlock the Software on one computer. Software unlock requires internet connection. Your computer hardware fingerprint will be registered in our online database. You can request a license reset for each license due to your hardware or computer change. The Company charges a fee for license reset service and reserve the right to adjust the fee at any time. The Software's download and update service is available for one year after your purchase. The download will NOT be provided after that.

PROTECTION OF TRADE SECRETS

You agree NOT to decompile, back engineer, modify or change any part of it for the reasons of discovering its internal methods or works. To do so is a violation of the Software's copyright and trademark protection.

SOFTWARE PIRACY

The Company will take legal action against any users that are found to be pirating the Software. The Software has the right to (permanently) stop your license and further assistance. In addition the Software will report any users found pirating other products to the Company.

REFUND POLICY

The Software is distributed as shareware (that means it is provided in try before you buy mode). Therefore, there is no refund for any purchase of the Software or service.

AGREEMENT

By installing, running, purchasing or using any product or service of the Company, you agree to the above Policies. In addition you agree that you will follow the the Software's Policies at all times when using the Software or service.
